What the Evidence Establishes

- Amazon's category pages displayed the book in the numbered positions shown in this dossier.
- The product page displayed a #1 Best Seller badge in 15 Minute Business and Money Short Reads.
- The achievement record reflects the rankings visible at the time of capture. Amazon rankings update frequently and may later change.

Congratulations to Silper Pesa

Coach Silper, congratulations on becoming an Amazon #1 bestselling author with The T.R.A.N.S.L.A.T.E.™ Advantage After Layoff.

Your book reached #1 in two paid bestseller categories and #1 in three Hot New Release categories. It also rose to #6 in Career Guides. These results show that your message connected with readers who need a practical path forward after career disruption.

This achievement gives you more than a ranking. It gives you documented proof that your ideas can compete, connect, and establish authority in the marketplace. Protect the book, the T.R.A.N.S.L.A.T.E.™ framework, and the business opportunities that can grow from them.

I am proud of what you accomplished and honored to support the work. Keep building from this moment.

Dr. Frederick D. Jones Esq.

Recommended Authority Assets

- Use the #1 Amazon Bestseller designation with the date and category context when precision matters.
- Save the original screenshots and this dossier as the evidence record for media, speaking, and partnership opportunities.
- Carry the achievement into the book's author bio, speaker introduction, press materials, and business development conversations.
- Continue the ownership review for the title, framework name, course content, and licensing opportunities.

The T.R.A.N.S.L.A.T.E.™ Advantage After Layoff: A Nine-step Career Reinvention Roadmap for Experienced Professionals

by Silper Pesa (Author) | Format: Kindle Edition

#1 Best Seller in 15-Minute Business & Money Short Reads

What if your career is not over, but is waiting to be translated?

This book is created for **professionals over 35 with at least 10 years of working experience who are facing career disruption, whether through job loss, redundancy, restructuring, the end of a contract, burnout, organizational change, or simply the realization that it may be time for a new direction**

Its central message is simple: **your experience is not outdated, it is untranslated.** You do not need to erase your past or start from zero. You need to express the value of what you already know in language today's market understands.

Through the nine-step **T.R.A.N.S.L.A.T.E.™ Career Reinvention Framework**, you will learn how to identify your transferable strengths, explore future-ready career paths, articulate your unique value, shape a marketable offer, rebuild your confidence, use AI responsibly, and create a practical plan for sustainable growth.

You are not beginning from zero. **You are translating everything you have learned into what comes next.**
